

Quantity & Quality

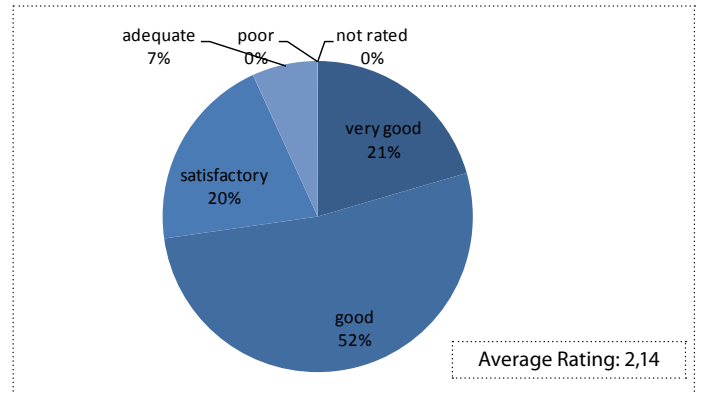

Content

Experience & know-how, concentration on relevant points, is it what you expected from the abstract?

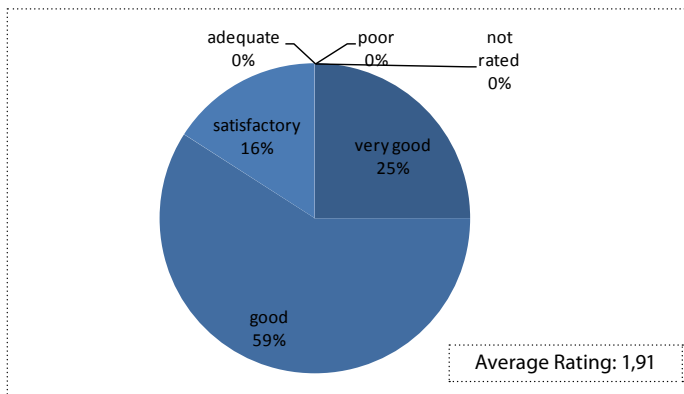

Motivation of audience

Inclusion of the audience, no monologue speech.

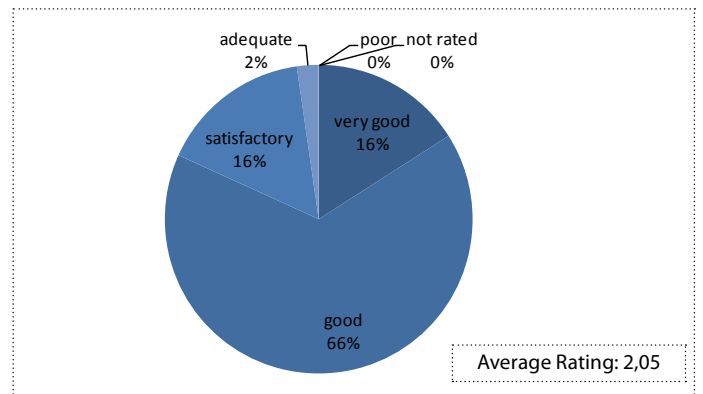

Argumentation

Followed by the central theme, logical argumentation.

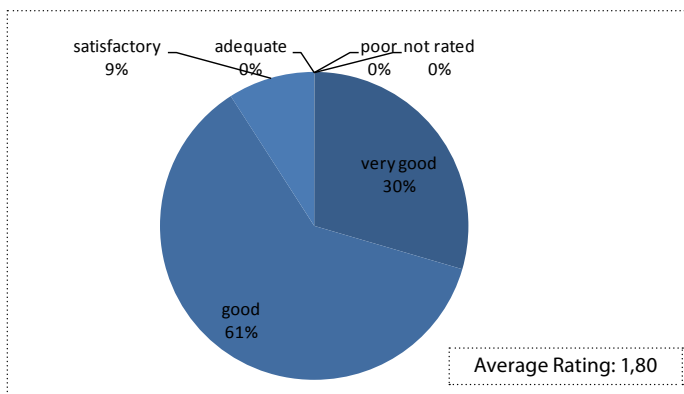

Usage of media

Support of argumentation by used media: pictures, videos, graphics, charts.

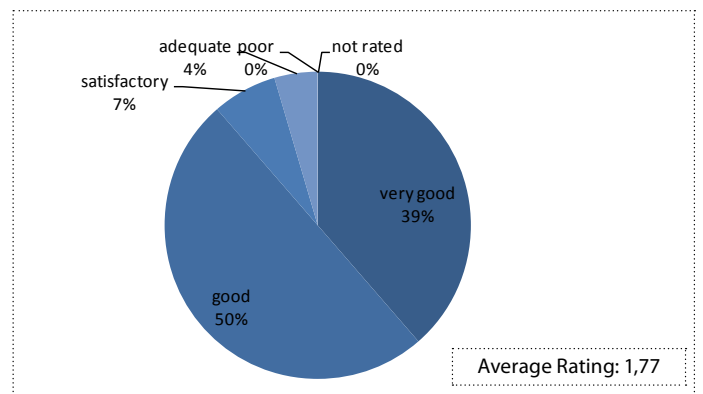

Time management

Well structured, to get to the point.

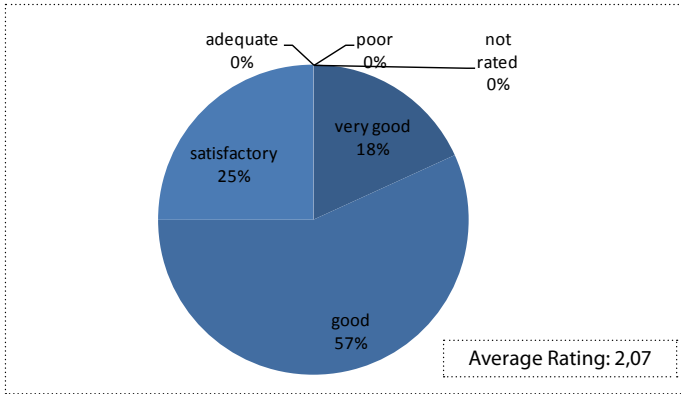

Language

Free and fluent speaking, clear comments, good to follow.

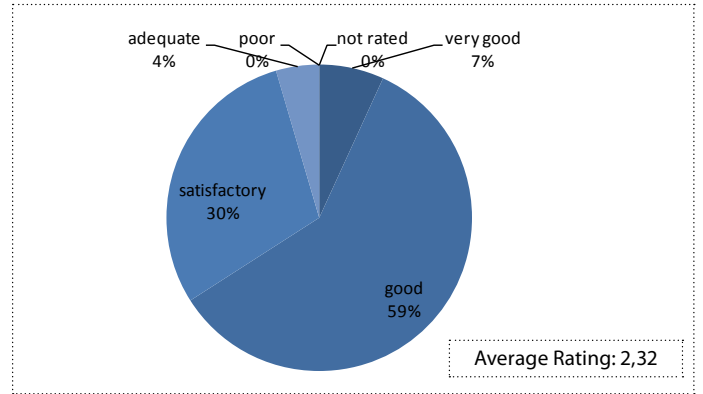

Presentation Layout

Good readable presentation (colors & fonts), well structured, no content overloaded slides.

Additional Value

Learned something new, got new insights, will improve my performance at work.
